## Progress Association News

### ANNUAL GARAGE SALE

This year there were 17 properties included in the successful village sale held on Saturday 7 September and we should like to thank Origin Energy, Quinty Bakery and the Men's Shed for their support.

Lynda Blight hosted a fundraising stall at the Service Station to raise money for an AED (defibrillation) device to be installed on the wall of the service station. She and her volunteers had a wonderful start to fundraising and raised over \$450.00. We will be working with Wollundry Rotary to assist this device to be a reality. Thanks to: Linda McDonnell, Leanne, Mark and Phil Evans, Noelene Martin, Deb Bewick, Danielle Blight, Maree Croskell and Sachan Patel (service station) for their donations for this event.

### URANQUINTY WATER TOWER

UPA was successful in obtaining funding from Wagga City Council to install road signage to the water tower and the Committee are now working on getting this done as soon as possible to encourage visitors to the tower.

We have also been working with the Department of Communities & Justice to secure workers on community service orders to help with maintaining the eco-cultural garden under the tower. All workers are supervised and all equipment, mowers etc are provided. We are working on a maintenance plan and planting many of the free native seedlings provided by Council's annual program to increase the number of native plants in the Wagga area. Of course, we always welcome volunteers from

Continued page 2

## WAGGA WAGGA CITY COUNCIL

### Uranquinty Floodplain and Levee Management Plan

A community meeting was held at the Hall on 13 August with Wagga City Council and the consulting engineer to present the final floodplain risk management plan for Uranquinty and the proposed upgrade of the levee for the village. This was a good opportunity for residents to highlight their own experiences in major floods and to advise what steps can be taken to mitigate the risk for those properties affected which Council and the engineers may have been unaware of when putting the plan together. Council will present the final version towards the end of the year and will advise UPA of developments.

**Oval** Ongoing discussions on the unauthorised use of the oval by cars and horses led to an inspection by UPA and Council staff. The chain on the gate to prevent car access has been replaced and we await a sign saying horses are prohibited.

**Oval Toilet Block** See separate story and photos on [page 3](#).

## YARRAGUNDRY ESTATE

Completion of kerb and guttering and stabilisation of the corner at King and Yarragundry streets has been continuing for the block of land within the boundaries of Yarragundry, Best, Uranquinty and King Streets. This has proved to be a particularly difficult section to seal over winter because of the nature of the subsoil, but the warmer, drier weather has helped. The earthmoving company, Burgess, hope to have everything completed in the next six weeks and then power and phone connections can be put in place.

## COMMUNITY HALL (See also Events on page 1)

Bookings for the hall continue to include a range of events from family gatherings, gentle exercise classes, yoga classes, CWA meetings, business meetings and a proposed Soundbath wellness event happening in October. The annual Quinty Folk Festival will again take place over the October long weekend and more details including the program, can be found on our website and the Festival website. <https://uranquinty.com.au/news/#events> and the Festival website at <https://uranquintyfolk.com.au>. Please go to our website at <https://uranquinty.com.au/> to book an event. There have been numerous

inquiries on the Community Facebook page asking how to hire the Hall and the easiest way is to use the online booking form on the website which goes straight to the UPA email address for attention.

## GENTLE EXERCISE & YOGA

**Gentle Exercise:** Wednesday mornings at 10.00am followed by tea and coffee – and it's free!

**Yoga:** Wednesday evenings, bookings essential to Eileen Graham 0448 829 721.

## CONCERTS

**Folk Festival** On October long weekend Friday to Sunday. See page 3.

**Soundbath** On 19 October, space for 15 bookings to Carmel or Michael 0418 974 846. Allow 1.5 hours. See ad on this page for important information.

### Annual Christmas Carol Concert

Discussion at the last general meeting included whether UPA should go ahead with organising this annual event, given the continuing decline in numbers each year, finding a Santa and someone to organise the cake stall as the Uranquinty Public School P&C will no longer be available. It is a lot of work for a small group of volunteers for an event which is not as well supported as it has been, probably because of competing events in Wagga and the number of Christmas-related activities organised by schools, Council, theatrical concerts etc. It is disappointing that the Wagga Rugby Men's Choir perform for only a small audience. We welcome feedback from the community as to the level of interest in continuing this event – but we need more help from local residents to make it worthwhile. Please email any comments to [uranquinty2652@gmail.com](mailto:uranquinty2652@gmail.com) or contact Deb Bewick on 0427 007 261.

## PROGRESS ASSOCIATION AGM

The UPA Annual General Meeting will be held at the Community Hall on Tuesday 26 October at 6.00pm. We welcome residents who would like to attend and join the UPA, so they can have an input in improving our village. If you have any questions or general business items you would like raised, please come along. Only financial members can vote on any motions proposed at the AGM. A formal Notice will be provided closer to the date in accordance with the Constitution.

Email for more info: [uranquinty2652@gmail.com](mailto:uranquinty2652@gmail.com)

W: [www.uranquinty.com.au](http://www.uranquinty.com.au)

### IMMERSIVE SOUND MEDITATION

Be immersed in the healing frequencies of crystal singing bowls, tibetan singing bowls and chimes, handpans, bamboo flutes and Koshi chimes. Meditation with sound has the potential to lower stress and anxiety, calm the mind, induce a state of peace and tranquillity, create more joy, and develop mindfulness.

#### WHAT TO EXPECT

Sessions are 1 hour in length. (Add an extra 1/2 hour for the purpose of arriving/settling in/ and to awaken after the meditation. Sessions are usually experienced lying down (participants can be seated where appropriate).

Please note- there are certain medical conditions that are not suitable for a immersive sound meditation. Please consult with Carmel and Michael for more information Where appropriate, consult your medical professional before participating.

#### FACILITATORS

Carmel Scarrone is a Reiki Master, Buddho Master and Sound Healer.

Michael Scarrone is an artist, musician and Sound Healer.

Phone 0418 974846 for more information

## URANQUINTY COMMUNITY SAFETY GROUP

The Uranquinty Community Safety Group works under the auspices of the SES. In the event of an emergency, we are notified by the SES of the nature of the emergency and advised what action the group is to take.

We continue our close liaison with the SES, particularly in respect to the current weather situation.

Our main focus is on early warning and assisting those in need. Emergency equipment has been supplied by the SES and is located in a container within the Men's Shed grounds. Sand for sandbagging, should it be required in a rain event, is also available at the Men's Shed. A small supply of sandbags for emergencies is outside the Men's Shed perimeter next to the back entrance gate between the Men's Shed and the Neighbourhood Centre. Should a flooding event occur the Men's Shed will of course be opened.

We have received a grant to construct an all-weather shelter for filled sandbags and other equipment and outdoor lighting for the sandbagging area. WWCC has assisted UCSG in applying for a state government grant from Reconstruction NSW for equipment including two four inch trash pumps, petrol driven high pressure cleaners, petrol driven generators and a trailer. It was then decided to extend this application to include the same equipment for Oura and North Wagga safety groups. We are waiting to hear the result of this application.

As always, we are looking for new members. Contacts are Brian on 6922 9776, Deb on 6922 9744 and Ged 0477 625 000.

# ST PATRICK'S URANQUINTY

**Weekend Mass Times** Times of Mass at Our Lady of Fatima, Bourke St are 5:00pm Saturday and Sunday 8:30am, 10:30am and 5:00pm (Syro-Malabar).

**Sacrament of Penance and Reconciliation** Saturday mornings at Our Lady of Fatima 10.30-11.30am.

**St Patrick's Uranquinty** Mass on Sundays at St Patrick's has been on hold over the last few months; however Fr Casanova is hoping to recommence Sunday Masses later in the year.

**Anointing Masses** are held at 10.30am on the 4<sup>th</sup> Tuesday of the month.

**Baptisms** Any families wishing to have their children baptised should contact Father Casanova at Our Lady of Fatima Presbytery. The next preparation meetings are 9:00 am on Saturday October 12, November 9 and December 14. Contact the Parish Office for more information..

**Sacraments to home-bound or when in Hospital**

Please notify priests (ph. 6925 2111) when a member of your family or a parishioner is in hospital or house-bound and in need of the sacraments, especially the

**NEW TO THE PARISH?**

If you have moved to our parish recently, welcome, and please introduce yourself to Fr Casanova. If you would like to know about groups and events that go on at Our Lady of Fatima, please ring the Parish Office and they can assist you - 6925 2111.

For the latest parish information, consult the parish website [olof.waggamatters.com](http://olof.waggamatters.com), or the Face book page: OLOF south wagga; you can also contact the parish office.

The office is open 9am-1pm Tuesday-Wednesday and 10am-2pm Thursday-Friday.

The parish bulletin is published every Friday; if you would like to receive a copy and have an email address, please contact Cheryl or Jean at

[olofparishsouthwagga@gmail.com](mailto:olofparishsouthwagga@gmail.com),

**Ph 69252111**, and they can put you on the mailing list. This is a good way of hearing about news and events in our parish.

**Best wishes and safe travelling for all Uranquinty families over the coming break!**

## ST JAMES UNITING

Our next church service will be Sunday the 1st of December, 10.30am. This will be our Christmas Service with Rev Leigh Steer.

We encourage families to come along for this Christmas Children's service, where we will enjoy some Christmas carol singing.

Following the service there will be a luncheon. Please bring a plate to share.

The next newsletter will include our dates for worship in 2025.

For further information contact Belinda McMahon (0409 422 141) or Pam Bourne (0427 229 641)

**A GREAT FAMILY

# URANQUINTY PUBLIC SCHOOL

**Riverina Sporting Representatives** Congratulations to Edith Lewington, Maddie Bellamy, Toby Saunders and Aanika Weeds who represented our school and the Wagga District in High Jump, Shot Put and the 4x100m Relay respectively.

**Riverina Conservatorium of Music** Thanks to the support of Miss Scriven's instruction our senior class were able to perform the song Riptide accompanied by Ukeleles for Public Education Week at the Marketplace in Wagga. Many thanks to The Rock Central School for lending the Ukuleles.

**Olympic Fun** Our students got into the Olympic Spirit this term with a Green & Gold day with lots of fun sporting events to compete in and win medals for!

**Blackfit** This term we were able to host students from North Wagga PS for a day of sporting fun and Aboriginal culture. The students participated in games, dance, art and storytelling and had a wonderful day playing with a lot of new friends.

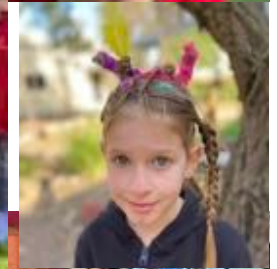

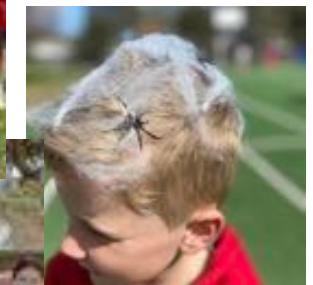

**Dr Joe's Visit** This term the senior class are learning about the history of our nation and how our government works and was formed. Dr Joe talked to the students about Local, State and Federal government. They had lots of questions and were highly engaged for an hour with Dr Joe.

**Crazy Hair Day** The SRC have organised a Crazy Hair Day this term to help raise money for our school. The SRC will choose a charity at the end of the year.

**Author Visit** Earlier in the term we celebrated author Pip Harry's visit to speak to the senior students. She brought in her Childrens Book of the Year award and explained to them how she goes about planning her stories and gathering ideas for new characters.

**Gymnastics**

Term 3 is always a time to as we have our regular visits to Airbourne Gym in Wagga. Thanks to Origin Energy for subsidising the bus travel to make this an affordable experience for our families.

### MEN'S SHED

Approval from WWCC for 15m extension of land on our northern boundary was granted and we have completed the fencing of the new area. We are now in the process of constructing a timber and metal storage area on the eastern side of our container. This will allow us to clear the space on the northern side of the main shed to erect a skillion roof to accommodate a new metal working area.

We continued our policy of assisting the Progress Association by holding a sausage sizzle during the recent Big Garage Sale event and continue to assist residents of Uranquinty and organisations such as the Preschool, with various repair and restoration jobs. Our association with the Wagga Potters Club continues with the Raku Day held at the Shed in August. This was a very enjoyable and successful day for both Clubs with all participants taking home a pottery masterpiece.

We welcomed new member Damien to the Shed but there is still room for many more.

We meet on Mondays and Thursdays between 9.00 am and 2.00 pm. Our monthly meeting is usually held on the last Saturday of each month commencing at 12.00 noon. We will be holding our meeting for September, which will include our AGM, on Saturday the 28th September. All welcome. For any enquiries phone Brian on 0407 865 787 or Ged on 0477 625 000 or Lyle on 0427 229 899.

### OVAL'S NEW AMENITIES UPDATE!

The new prefabricated amenities have been ordered, similar to the photo below located at Norman Duck Oval with the addition of the installation of a Ergolet XY Gantry Ceiling Hoist Tracking System with a 275kg SWL fixed Luna Ceiling Hoist Complete System and a change table.

Delivery expected February-March 2025.

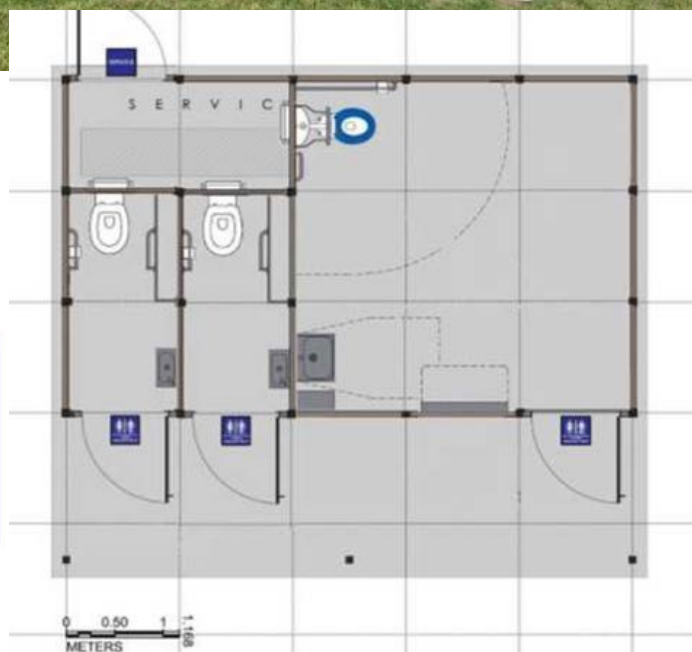

Concrete foundation slab, plumbing and electrical will organised prior.

Demolition of old toilet block is now planned to be undertaken before concrete foundation slab is installed.

Temporary fencing and portaloos will be in place for the duration of works.

Portaloos are planned to be located between old amenities and fence under gum trees. A site meeting will be required with Skye to confirm location in coming weeks.

Location of new amenities is now slightly closer to the road.

#### WHEN YOU CALL TRIPLE ZERO (000)

- You will be asked if you want Police, Fire or Ambulance?
- Stay calm, don't shout, speak slowly and clearly
- Tell them exactly where they need to go. Give an address or location.
- Listen carefully and follow any instructions given.
- Don't hang up - stay on the line until you're told to hang up.

**SOCIAL NEWS**

**Thank you**

A big thankyou to Allan Reed and the Men’s Shed team for their assistance with helping our family pack up the home of our sister Shirley at 60 Morgan Street. While Shirley was not a long time resident, she loved her home in Quinty and was very sad to leave. Shirley now lives in permanent residential care in Sydney near family and friends. Thank you to all who crossed her path and assisted her with her garden and with her little dog Cindy. We will always have fond memories of our visits to this very special community.

Enid, Lynette, Denis and family

**Dorothy (Dot) Cheney**

Our condolences go to the family and friends of Dot Cheney who recently passed away. Dot and her husband Kerry came to Uranquinty in 1995 and she was well known as Grandma to many of the children in the village.

Our thoughts are with her husband Kerry and sons Shane, Craig, Tim (dec) and daughter Melissa (Tingle) and their families including 14 grandchildren and 11 great grandchildren.

**God’s Garden**

God looked around his garden and found an empty place  
 He then looked down upon this earth and saw your tired face  
 He put his arms around you and lifted you to rest  
 God’s garden must be beautiful He always takes the best.  
 He knew that you were suffering. He knew you were in pain.  
 He knew that you would never get well on earth again.

He saw the road was getting rough and the hills were hard to climb  
 So he closed your weary eyelids and whispered  
 “Peace be Thine”  
 It broke our hearts to lose you but you didn’t go alone  
 For part of us went with you the day God called you home.

By Melissa Shreve

Steve Macdonald. Picture supplied

**STEVE MACDONALD**

The Uranquinty Folk Festival includes all sorts of performers on stage but also a lovely campground atmosphere with people playing instruments together just for the social enjoyment of it.

Steve Macdonald has been going to the event for at least the past 25 years, sometimes to perform, and sometimes just to attend. Steve’s main instrument is the guitar but he also plays a few different banjos and the lap slide.

He has played in bands such as the Jim Stubbs Backing Band, and the Badger River Quartet who are from near his birthplace of Cooma. He’s been part of a duo with his partner Lainey Keir, he has occasionally performed solo, and he has also run workshops teaching people how to play the lap slide.

Steve also loves just hanging out in the free campground, perhaps jamming with someone else, or simply enjoying what others are playing, as well as chatting with other event goers whether they’re old friends or they have only just met.

**URANQUINTY FOLK FESTIVAL**

## LOCAL HISTORY

### Uranquinty Progress Association

With the Progress Association Annual General meeting coming up soon, it is interesting to look back at the origins of the Association.

There has been a Progress Association in Uranquinty since about the mid 1890's. Many of the early infrastructure and improvements made during the foundation of the village came from requests and petitions from the members of the association.

Some of the main items on their agenda back then were to have the town road formed, a school masters residence built next to the new school which had just been built "because the town was entitled to a married teacher in order to teach the girls needlework".

They also petitioned the Department of Railways to build some stock loading yards at the railway station so that local farmers did not have to walk their stock to The Rock or to Wagga. They also petitioned the Roads Superintendent for a bridge over Sandy Creek as residents were sometimes stranded for days when the creek flooded.

By 1917 they had successfully arranged for some street lighting and a formed road from the village to the "Connorton gates".

Other services requested by the Progress Association and eventually provided were a telephone service and a sanitary service.

The Association went into recess on numerous occasions including the First World War, reforming in 1932 to successfully connect the village to

Burrinjuck Electricity and install street lights but they were unable to obtain a water supply.

After a lapse during the Second World War, a meeting was called in September 1945 and although there were many eager members, it didn't last and another recess occurred.

In April 1952 a new lot of residents called a meeting and 74 residents came and signed up. The new committee comprised of President Mr R Dickson (local store owner), Secretary Mr Gordon Campey (school teacher) and Treasurer Mr W Taber, father of Stan Taber who became secretary for many years later on.

During this period many trees were planted around the village, a playground was built in Morgan Street (now known as Campey Park), in honour of the school master and long time secretary. Mr Campey passed away in 1960 and a two minutes silence was held at the next meeting.

From 1973 to 1978 and from 1988 to 1993, meetings once again lapsed but in this time Uranquinty was able to achieve the Neighborhood Centre, a levee bank around the creek, a sewerage system, a quarterly newsletter which is still in production and many fun events like the Family Fair, Back to Uranquinty Reunion, garden competitions, the water tower mural and now a brand new toilet block for the football oval, playground and tennis club.

So if you want to see more improvements in our local area, the place to be is the Uranquinty Progress Association.

**VOLUNTEER WITH RFS!**

Have you considered helping your community, making new friends and gaining national qualifications. We need your help especially if you have week day availability. If so Jump on the below link and join us!

**YOUR SAFE BURNING CHECKLIST**

- ✓ **Check you're allowed to burn.** Contact your council or local Fire Control Centre.
